

August 1-7 2020 (after 1st Tesomas)

Level: Moderate

Isle Royale: Troop 20 High Adventure

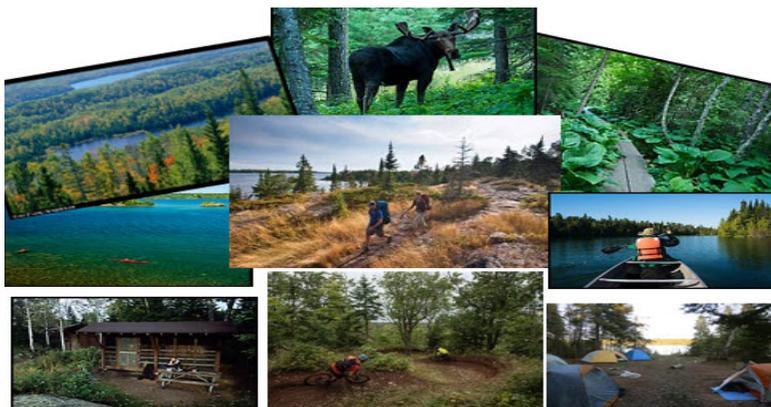

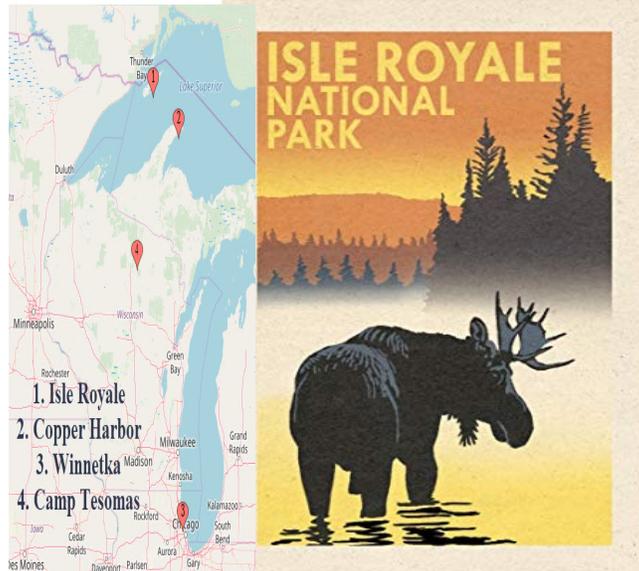

\$600 All Inclusive

Isle Royale is the second least visited National Park in the US (yet the most returned Park) located on Lake Superior and within 'reasonable distance' to Winnetka. It's an isolated archipelago of 40 islands with 35 campgrounds and unparalleled solitude and adventure for backpacking and canoeing. We're sure to see moose, catch fish, and backpack through true backcountry while filtering our own water and living from our pack. Hiking distance will range from 5-12 miles on hike days depending on the final crew. Access to the island is limited to ferry or seaplane. The ports of entry (Copper Harbor) are Silver medal Mountain Biking regions so we'll start with a day of biking. Depending on the final crew, we could spend a day fishing for Lake Trout.

Age Requirement: Age 12+

Group Size: Crews of 7-10 (but can have more than one crew)

Trip Leaders: Jason Roney (Interim TBD)

Isle Royale

- Copper Harbor is 7 1/2 hour drive from Winnetka
• Mountain Biking IMBA Silver Level Ride Center
• Backpacking
• Hiking 5-12 miles on Hike Days
• Canoeing (weather permitting to private island)
• Orienteering
• Purify water from Lake Superior
• Fishing crystal blue water
• Moose and more Moose
• Seaplane / Ferry commute

Trip Leaders: Jason Roney (Interim). Final crew leaders to be determined. The trip will coincide with the end of Camp Tesomas first week whether we are picking up Scouts or bringing with us. We'll spend a night in Copper Harbor hotel to refresh from Camp and mountain bike the next day. From there we begin our backpack adventure with a night at the local campground before boarding a ferry for Isle Royale. There are no vehicles on the island and our adventure begins the moment we arrive. Final crew will select desired routes for hiking and canoeing. Possible return via seaplane.
